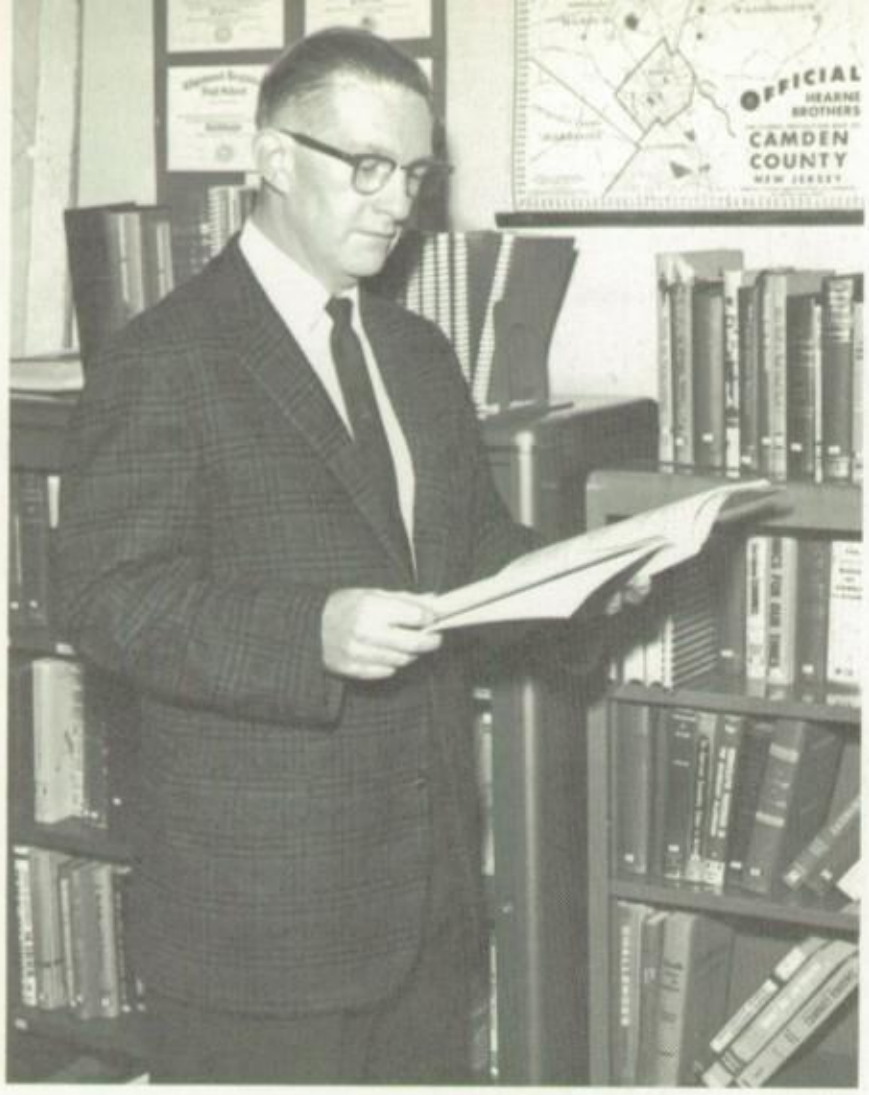
Dedication

We, the Class of 1965, dedicate this Yearbook to Mrs. Wingert who has guided us through our years at Overbrook. She has earned the respect and admiration of the entire class.

Words cannot express our appreciation for the understanding and cooperation she has given us. Mrs. Wingert will always remain not only a wonderful teacher, but our true friend.

FACULTY AND ADMINISTRATION



Dear Senior:

As you graduate, may you take with you a confident knowledge that you are ready to face the game of life; that you have a foundation upon which you may build your future, and may face your problems with faith in yourself.

It is the wish of all of us at Overbrook that you may continue to grow and progress and move ever onward towards those worthy goals which you have set. Our best wishes for success accompany you in your chosen field of work.

Frank L. Donahue
Superintendent

Frank L. Donahue

L. to R. Frank Woloszyn, William O'Keefe, Pres. Mrs. Elith K. Davies, Secy. to the Board. **2nd ROW** Daniel DeSilvio, William Ranier, Alonzo Norcross, Mrs. Elzabeth Mossop, Frank L. Donahue, Superintendent, George Chant absent Nelson Shaw, John J. Murphy, Jr.

Dear Seniors:

"Prepare for the future; you will spend the rest of your life in it." Aren't these words applicable to June graduates? Perhaps they would be more apropos to incoming students; however, since preparation for the future is a never-ending process, they do apply to June graduates.

Your educational, social, and vocational experiences of the past six years at Overbrook are just the beginning of many new experiences you will need to unlock the many doors of success which await you. "There are no doors closed in America, save those you close yourself."

My sincere wishes to each of you for a happy and successful future.

Carl T. Maiese, Principal

Class of 1965:

Although I have known and worked with you slightly more than a year, I feel as if I have always known you. It has been a distinct privilege to share with you the many activities of your Senior year. Now that your many years of hard work and study are paying off with graduation, it is my pleasure to wish you, one and all, Good Luck and God Bless You.

SENIORS

Allen S. Jacobi Jr.
Class President

My Fellow Students,

After attending Overbrook Regional High School for the past six years, I am proud to say that I am a student of this school and a member of the Class of 1965. As we began our seventh year in school, we came as a heterogeneous mixture of mere children who had little idea of what a class should do and how it should act. As the years progressed, our pride in our school grew, and we too grew into one large group from many. Now, by the time of graduation, we have jelled into one smooth working team of young adults. I would like to feel that our class has contributed more than any other during the first twenty-five years of the school's existence. We have left materialistic things, but I am sure that the spirit of the Class of 1965 has done more good for the school and will linger for the next quarter decade. Because of this, we should be proud!

Remember, as we traverse the years, life will reap benefits only if we put some effort into it. Whatever we do, we should do it to the best of our abilities and attempt to reach the pinnacle of success.

I sincerely hope you have good health, happiness, and prosperity in all your years. I would like to close with an old Italian toast, "May you live as long as you want to, and want to as long as you live."

Yours in service,

Allen S. Jacobi, Jr.

Allen S. Jacobi, Jr.
President, Class of 1965

Mr. Landis
Senior Class Advisor

To the Class of 1965. You are the biggest class ever to graduate from Overbrook, so let's think big and do everything in a big way. The world is big and so is opportunity if you will look for it, but don't be discouraged by the intense competition you will meet all your life.

You have had a great start at your Alma Mater; just keep the momentum going particularly when the "going" gets tough. Remember your Overbrook symbol is the "Ram", and it is a resourceful and fighting animal that you should continue to emulate.

So, "Go get them, "Rams." Do the right thing and do it in a big way.

Last Will and Testament

We, the graduating class of 1965, realizing that we have finally achieved the goal of our high school years, do hereby present our last will and testament.

To Mr. Maiese, our principal, we leave our sincere appreciation for the aid he has given us, and we hope that he will always remember us with pride. We are indeed thankful for his guidance throughout our years at "Reggie".

To Mr. Lynch, our assistant principal, who has shown us that being a Senior is not only a privilege but an honor, we leave all our gripes and groans for next year's Seniors. Although he has been with us only a year, he has earned the deep respect of the Senior class.

To the wonderful people in the Guidance Office who displayed great efforts in obtaining jobs, scholarships, and places in institutions of higher learning, we leave the hope that you may have better material to work with next year.

To Mr. Landis, our friend and advisor, we leave our unsettled disputes, hectic class meetings, unfinished plans, and our "solid gold" **unsold** jewelry. We appreciate his untiring efforts and cooperation in making our Senior year a success.

To Mrs. Bordner, our yearbook advisor, we leave our unpaid bills, petty arguments, deadline rush, and our many excuses for not meeting it. We would like to express our gratitude for the help she has given us in publishing our masterpiece.

To Allen Jacobi, our class President, who has endeavored to grant all our wishes and has made our Senior year an experience to be remembered, we leave this thought, "Thanks a lot, Al . . ."

To the Junior Class, we leave the fun of being a Senior, the excitement of the Class trip next year, and the thought that in a short while you, too, will be facing the responsibilities of the adult world.

To the Sophomores, we leave the thrill of receiving your Class Rings next year, and the enjoyment of decorating for your Junior Prom.

To the Freshman, we leave the pleasure of three years ahead. May your Sophomore Cotillion be as memorable as ours was.

To the eighth grade, we leave the anticipation of becoming a part of the Senior High. Make the most of your Freshman year and the remaining years at Overbrook.

To the seventh grade, we present five happy years at "Reggie" with the wish that each year will be more enjoyable than the last.

Yearbook Staff

We have many treasured memories of those wonderful years at Overbrook. We remember the friends we have made, the teachers, the classes, the dances, the football games, the pep rallies. Now we have come to the end of those years. The difficulties, the struggles, the fun, and the gay moments are behind us. We must now look ahead to what the future may hold. The L'Agenda staff would like to thank all who have helped to create unforgettable memories of the years gone by. We should also like to wish for everyone a future that will bring its own precious memories.

As we set out from these hallowed halls forever, we shall never forget the memories gained here. We speak, not for two seniors, but for all seniors past, present, and future. There are many things we shall remember; but far above all, we will long remember that spirit which has surrounded us during our career at "Reggie." This unforgettable spirit will always remain cherished in our hearts. With this spirit, we are now unafraid to face the adult world whch lies outside these doors.

We may now walk with our heads held high, proud of our magnificent education and even more proud of that unique spirit . . . the spirit of Overbrook.
